Welcome to 352 Mountain Run Road, a beautifully appointed 2018-built home nestled in the desirable Juniper Ridge community. Offering four bedrooms, two and a half baths, and over 2,400 heated square feet, this home blends timeless style with everyday functionality on a generous half-acre lot. Step through the covered front porch and into a welcoming foyer that opens to an impressive living room anchored by a cozy gas log fireplace -- the perfect centerpiece for gathering and entertaining. The flow continues seamlessly into a spacious kitchen and adjoining dining room, creating an open and connected main living space. A powder room and coat closet round out the entry level conveniences. The primary suite on the main floor is a true retreat, featuring a custom tiled shower, walk-in closet, and a thoughtful pass-through directly to the laundry room. Fresh paint and new carpet make this home genuinely move-in ready. Head upstairs to discover a versatile loft space open to the living area below, plus three additional bedrooms -- two of which feature walk-in closets -- all with vaulted ceilings and ceiling fans. A full bath and linen closet complete the upper level. Out back, a fully fenced yard has been freshly re-graded and dressed with pine straw, creating a polished outdoor retreat. Enjoy cool Carolina evenings around the fire pit, and take advantage of a substantial 10x20 storage shed. A two-car garage and active
